### 2000 COLLEGE FAIRS

For Autumn Quarter 1999, eight Honors Students from Williamson County are new Ohio State freshmen. Most were AP students at Centennial and Brentwood High Schools and had learned about OSU at local College Fairs.

Each fall the Alumni Club represents Ohio State at several College Fairs for area school systems. We pass out OSU literature and answer the questions of potential new Buckeyes. These are usually 6:00 to 8:30 PM from late September through early November. It's easy, and we send you with someone who has done it before - and we give you a cram sheet with all the answers.

If you can volunteer to help this year, put a little tick on your membership form to get your name on the list with Mike and Lynne Stockwell (377-9819). They'll contact you this fall as they put the schedule together.

### ADOPT-A-MILE

To promote our Alumni Club and demonstrate Buckeye citizenship, we have adopted Royal Oaks Blvd in Franklin from the new Post Office to Mack Hatcher - and our club keeps it litter-free.

We do this four times a year - it takes about an hour of a Saturday morning each time. We provide safety signs & vests, gloves, bags, etc. So call Scott Mertie & Tina Rogers (370-8370) -- They'll put you on the call list for the next pick-up.

### 2000 DUES ARE DUE

Does your mailing label have a '00' in the upper right corner? If not, just return the form below with a \$12 check -- and your next OSU Alumni Club mailing will have that famous '00' label.

We use these funds for newsletter postage, and for registration fees for College Night events - (\$25 - \$60 each). **We'd like to have you help us financially, but if you can't, that's OK** -- you're still a member and we want you to come to all the club and BIG TEN events. BUT, we do include only DUES PAYING MEMBERS in the football tickets & trip event.

So, while you are thinking about it, why not complete the form and put your check in the mail today? And you can include something extra for the Club's new Scholarship Fund.
